

Log into Google Classroom in the usual way.

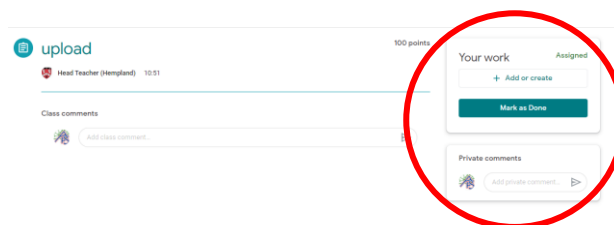

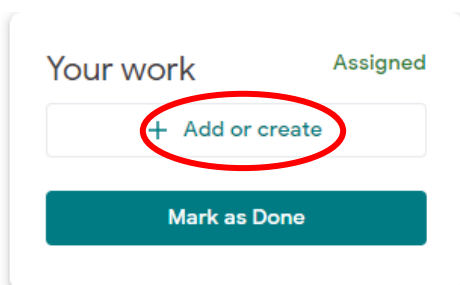

Select Classwork

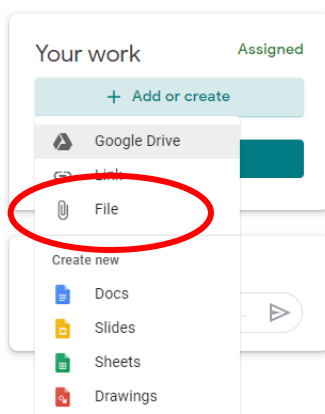

Find the work which requires an upload, click the title to expand it and then click 'View Assignment'

Select +Add or Create

Choose File

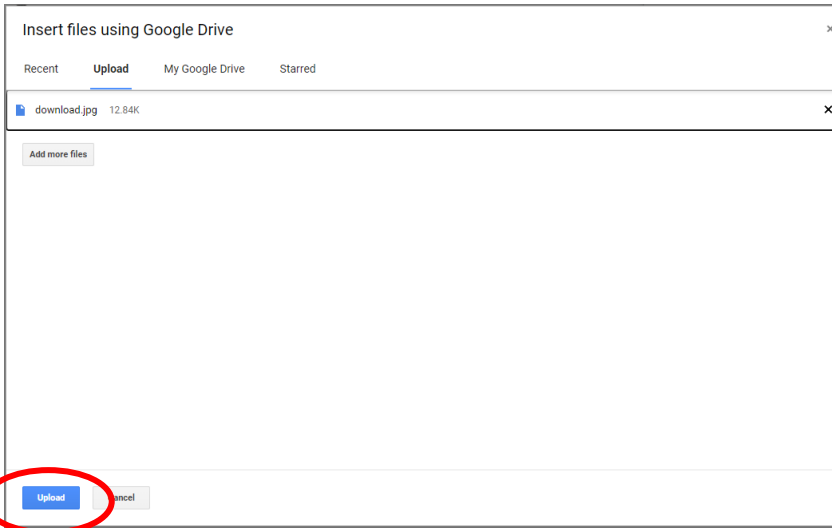

Click 'Select Files from your Device'

Drag files here

— or —

Select files from your device

Locate the file you want to add then click upload

Your work will appear here. You can then press 'Hand in' to submit it to the teacher.
