

Pathfinder Summer Challenge

Over the summer try to complete the following 50 challenges. Once you have completed one, tick in the circle on the sheet. If you complete all 50 you will receive a special certificate and badge in September.

1 Research an artist and produce a booklet/leaflet/poster about them.	2 Make some nature art. Go for a walk and collect items from nature you could use for a collage or to print with.	3 Paint a picture for your neighbours.	4 Play a board game with your family.	5 Ask a grown up to teach you a game that they used to play when they were children.
6 Help someone in your house.	7 Do something kind for someone.	8 Write down 20 things you are grateful for starting as many different letters from the alphabet as you can.	9 Draw a star and write or draw all your talents inside.	10 Have a bake off competition with everyone in your house where everyone has to bake or make something for afternoon tea.
11 Write a story inspired by woods and trees.	12 Learn a new skill and write instructions how to do it.	13 Write a postcard or letter to someone you love.	14 Organise and tidy your bedroom.	15 Make up a treasure hunt for someone in your house.
16 Create an obstacle course at home.	17 Make up a dance to a song that makes you happy.	18 Set yourself a running challenge, record it and see if you can beat your time/distance.	19 Make up a new ball game.	20 Make up an exercise routine and teach it to someone in your family.
21 Choose a book with your family and take turns reading it together.	22 Read a book that a friend has read.	23 Read a non-fiction book.	24 Read a book your parents enjoyed when they were children.	25 Keep a list of all the books you read over the summer and write a review of your favourite one.
26 Read a book that has poetry in.	27 Learn the words to your favourite song.	28 Find a recipe, read it and then help cook the dish with your family.	29 Learn a new card game.	30 Draw or make a fantastical beast and write a description of it.
31 Nature walk - on your walk collect lots of things in nature then attach them to a stick to show the story of your walk.	32 Build a den.	33 Plant some seeds.	34 Have a picnic together as a family.	35 Go on a mini beast hunt.
36 Go on a colour walk/scavenger hunt.	37 Have a sing song around a campfire, real or pretend.	38 Choose a colour, go for a walk and take photos of everything you can spot of that colour.	39 Learn 10 words in a new language.	40 Draw your family as superheroes and describe their super powers!
41 Observe the vehicles outside your house for 30 minutes and present the data.	42 Complete a jigsaw or puzzle.	43 Make a drawing out of 2D shapes.	44 Make a door sign for your room.	45 Take a photo of the same view every day for 7 days then describe the changes you notice.
46 Make a paper aeroplane, decorate it and measure the length of its flight. Can you make any changes to help it fly further?	47 Build a boat out of materials you have at home and see how well it floats in the bath.	48 Make up and carry out a science experiment.	49 Plan and have a family party.	50 Write a letter to your future self and tell them about the time you are living in now.
