

Stars of the Week

Each week we would like to highlight the work of a few children who have impressed us with their learning either at home or school. Ordinarily we would present certificates in school for this, but as we can't do that, we will celebrate them here together.

Frankie Walker for trying so hard with everything that she does in school and for always joining in with a super smile on her face. We are all super proud of you Frankie. Well done!

Well done Benjie!
