<b>Thurs</b>		Maths		Guided Reading	English	Maths Blast		SPAG	Science	PE Fitness
<b>Fri</b>		Maths		Guided Reading	English	Maths Blast		SPAG	Art/DT	Golden Time

# Life in Year 3

- The children have all been given a Reading Record and a school reading book. Books can be changed on Mondays. This will help us to quarantine them each week. Children are welcome to do lots of other reading at home and any that they do can be recorded in the Reading Record.

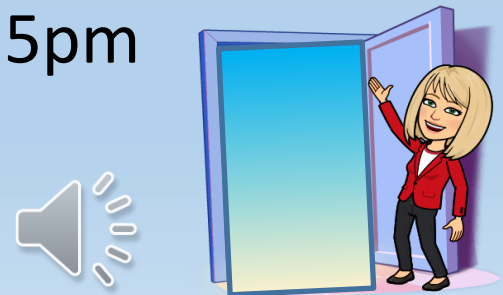

- PE This takes place on Tuesdays and Thursdays. Please ensure that the children have the correct kit in school. There will be outdoor PE so feel free to send a tracksuit and trainers in with your child if you would like.

# Useful Information

- Home-school communication- please contact the school office via email or phone if you need to make an appointment to speak to us. We will do our very best to help.
- Fruit is not provided in KS2, so your child is welcome to bring their own healthy snack for break. Please note we are a nut free school.
- Please provide your child with a water bottle every day.
- Please email the office if there are any permanent changes to the end of day pupil collection information.
- The Year 3 door will open from 8:30 until 9am each morning. You are welcome to collect your child from anytime between 2:55pm and 3:15pm.

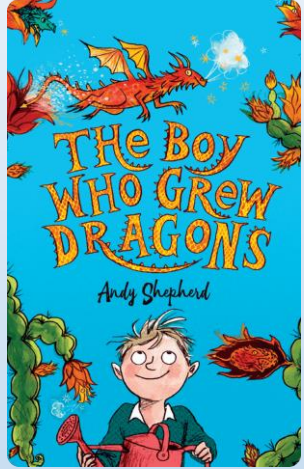

# Expectations in Year 3

- Reading - books can be changed on Mondays
- Spellings- we will be adding as list of words to Spelling Shed each week. Your children will also have chance to practise these words each morning in school. A new log in for Spelling Shed has been sent home this week. You have also received a list of the Y1/2 words which your child needs to learn.
- Homework – this will be sent home through Google Classroom. There will be more information on this in due course. In the meantime, please use Spelling Shed and Maths Shed, and read as much as you can.
- In Year 3 we encourage children to believe in themselves, challenge themselves and have a go at everything!

# Curriculum & Topics

- Autumn 1 Topic “ Fire up your imagination” based around the book The Boy Who Grew Dragons by Andy Shepherd.
- Some of the other topics we cover are; The Iron Man, Can You Dig It?, What’s Your Perspective and Light at the End of the Tunnel.

This half term our focus in English will be descriptive language. The genres we are covering are poetry, adventure stories and non chronological reports. In Maths, we will be learning about place value to 1,000 and addition and subtraction.

There is also work planned in Geography, RE, Art, DT and Science. We will also have an increased focus on PHSE to help the children to settle back into school.
