

## Year 1 Autumn Term 2

### 'Light Up The Sky'

<p>Practise counting forwards and backwards to 30. Can you miss some numbers out and see if your parents/carers can guess which numbers you missed out?</p>	<p>Roll a dice or choose a number between 0-10 and add the numbers together. Top tip: start with the biggest number and use objects to help you visualise it.</p>	<p>Practise your Phase 3 phonics sounds by playing games on <a href="#">Phonics bloom</a></p>
<p>What would you wear in each season? What items of clothes would you pack in your suitcase for Autumn, Winter, Spring and Summer?</p>	<p>Look at this <a href="#">image</a>, can you make a senses list and imagine you are there, think of some brilliant adjectives to describe what you can see, hear, smell, touch, taste and how you are feeling.</p>	<p>Can you watch and copy these dance moves, make them big and expressive for someone to watch you. <a href="#">Firework dance</a> by Katy Perry.</p>
<p>Draw around your hand and write what different qualities make a good friend.</p>	<p>Try and answer this question: Why do we celebrate Bonfire Night? Who was Guy Fawkes? Make a poster to tell someone your answer, be as creative as you can be.</p>	<p>Watch and play this Great Fire of London <a href="#">game</a>. There are lots of pause points for a discussion with an adult. Enjoy 😊</p>
