

# PIZZA COMPETITION

Get baking this half term and win your pizza for dinner at school.

Can you design the most imaginative face in your pizza?

Can you make an animal face, or let us guess how you are feeling by your face?

Mushroom ears, broccoli hair, a chilli smile, olive eyes.

Below is a simple pizza base recipe you could use.

Email photos of your entry to [office@hempland.pmat.academy](mailto:office@hempland.pmat.academy) by 22<sup>nd</sup> February (including your name and class)

The winning face will have their pizza made for them for lunch by our school cook.

To make the pizza base, mix all the ingredients together and knead for 10 minutes.

Leave the dough to rise for 30 minutes before rolling out. Add your toppings then place on a lightly floured baking tray.

Bake for 15 minutes at 200C (Gas mark 6)

(makes a 9" pizza)

## **Pizza Base Ingredients**

200g Bread Flour

½ tsp Caster Sugar

½ tsp salt

½ tsp dried yeast

1 tbsp Olive Oil

140ml warm water

# OR

If you fancy more of a sweet challenge .....

Can you decorate a biscuit (homemade or bought) as the face of a member of staff at school?

## BUT

Don't tell us who they are.

We want to guess!

E mail photos of your biscuit portraits to [office@hempland.pmat.academy](mailto:office@hempland.pmat.academy) by 22<sup>nd</sup> February (including your name and class)
