

Headteacher's Introduction

This week we have held our parent meetings using School Cloud. These meetings have been very well received with attendance high across all year groups and positive feedback being received from both staff and parents. If you missed your appointment or had difficulties joining the meeting, please contact your child's class teacher or the school office who will be able to help. We are now looking at ways in which we can showcase children's work with parents and give you the opportunity to look through your child's work books. We will keep you updated with our plans for this and look forward to being able to welcome you into school when the time allows.

Have a lovely Bank Holiday weekend and we will see you all on Tuesday!

Mr Haynes & Mrs Innes

Dogs

There are a number of dogs that are being tied up very close to both the front and back entrances to school. Please can you ensure that you do not tie your dog onto the school railings or school gates. Please always ensure that dogs are tied both securely and safely away from where children and adults are passing as some children are afraid of dogs, however tame and friendly they may be. Thank you for your cooperation with this.

Please also remember that we do not allow dogs on site, other than assistance dogs. This includes dogs being carried or transported in any way.

Old Wellies Request

The school is looking to take part in a community based project with the Royal Horticulture Society, but to do this we need your help. Do you have any old wellies that are no longer used in your house? Any size, any colour (even odd ones are fine!)

If so, could you please drop them off at school, preferably bagged, either on the trolley by the main door, or just inside the school garden, as you're passing.

Thank you, Mrs Souch.

The Big Pedal

Thanks to everyone that has walked, cycled and scooted to school over the past two weeks. The Big Pedal has been super successful. Keep your eyes peeled to see where we placed, and please continue to travel to school in an active way as much as you can!

Reminder - Parent Pay and School Lunch Bookings

School dinners must be pre-ordered for the following week by Thursday evening, otherwise you will not be able to add them from home and will need to contact the office before 1pm Friday. If you are in receipt of free school meals, you can still select meals for your child and there will be no charge. If you have ordered a school meal for Monday 3rd May (Bank Holiday) when the Meal Manager runs on Monday these meals will be cancelled and you will receive a credit to your Parentpay Account.
