

## Headteacher's Introduction

Our Key Stage 2 children enjoyed their sports mornings this week and we managed to get them all completed despite the rain! We will be having our Early Years and Key Stage 1 sports mornings next week which we are really looking forward to.

Our Year 6 activity week is also taking place next week which the children are very excited about. We will be sharing photos and updates on our Twitter account so you can see all the great things that are happening.

We are of course excited (and possibly a little bit nervous!) about the Euro 2020 final on Sunday. We will still be having a normal school day with the usual times but we completely understand that if children have stayed up to watch the final, they may be a bit more tired than they would normally be. We will of course factor this into our day. Fingers crossed for a win!

**Mrs Innes & Mr Haynes**

## ParentPay Communication

In order to further improve communication between home and school we have added the facility to send text messages to parents through ParentPay. These will be at no charge to you and will enable us to send out more important messages in this way.

In order to get this up and running, we need you to add your preferred mobile number to your ParentPay account if not already done so - we can't edit your account because of GDPR but it is a simple process that will only take 2 minutes and can be done from your phone or laptop. The instructions for both options are included in an attachment to this email.

If you need any support, please contact the school office.

## Pre-loved School Uniform

Thank you so much to the Friends of Hempland for organising the pre-loved uniform sale on Thursday and Friday this week. It was a huge success and will hopefully be something we can begin to do more regularly.

## Getting to school safely

Our local councillors will again be carrying out a short survey regarding road safety in our community at school pick up time on **Friday 16<sup>th</sup> July** by the back gate. This is another opportunity to share your views if you were unable to make it last time. Look for the tables set up and give them your ideas. Everyone is welcome.

## Swimming Survey - Year 6 Parents Only

Please could all Year 6 parents complete the survey around your child's swimming ability. It is something we must report on each year. The survey is completely anonymous and should take no longer than 2 minutes to complete. If possible, please could you complete the survey by Friday 16th July. Many thanks.

## Lateral Flow Tests

Please find below a reminder from City of York Council regarding Lateral Flow Testing.

## Covid tests

😊 Use home tests for anyone aged 11 and over with no Covid symptoms

❌ Do not use home tests on children under 11

😞 If you or your child have Covid symptoms, book at: [gov.uk/get-coronavirus-test](https://www.gov.uk/get-coronavirus-test)
