Issue 76: 07/07/2023

A message from Mrs Innes

It has been another exceptionally busy week in school and we have as ever, so many things happening across school.

This week we have enjoyed discos for all children in Years 1-6, sporting experiences, musical performances, dance showcases, fundraising events, welcoming the new starters for September 2023 and a little bit of public speaking success! Further details about this success can be found later in the newsletter.

Yesterday, we held the public consultation regarding the proposed new school build. We had parents, residents and councillors in school to look at the plans and discuss thoughts and ask any questions. Thank you for your valuable feedback.

Hope you all have a lovely weekend.

Mrs Innes

Phase News

Early Years & Key Stage 1 (Year 1&2)

Early Years have been learning about non standard units of measurement with a focus on weight. Children decided on objects that 'Mrs Grinling' could send to 'Mr Grinling' via the pulley system to the lighthouse.

Year 1 have been learning how to tell the time. Children enjoyed using small clocks to work with a partner to tell the time on the hour and also half past the hour.

Year 2

Lower Key Stage 2 (Year 3&4)

Year 3 are enjoying reading 'Gorilla' by Anthony Browne. They have been learning to ask questions to clarify their understanding of the text.

Year 4 performed a fantastic ukulele concert for their parents. They sang beautifully and played all the songs they have learnt over the past 10 weeks really well and thank you to the parents for joining in too! Well done everyone!

Upper Key Stage 2 (Year 5&6)

Year 5 completed their sponsored colour run as part of their Young Leaders Award. Everyone had great fun and enjoyed getting messy. Thank you to everyone who has sponsored them so far and we will let you know the total raised after all events.

Year 6 had a BRILLIANT morning at the LNER stadium. They played some rugby games, then received a behind-the-scenes tour of the stadium, and even enjoyed the hospitality rooms!

Public Speaking Competition

Two of our fantastic Year 6 orators were hugely impressive at the York Civic Trust Public Speaking competition on Wednesday. They both worked so hard, putting in lots of time and effort writing and rehearsing their speech, and earned themselves a great third place against some stiff competition! Well done, we're all really proud of you!

Polite Reminders

Cycling and scooting

Please can I remind once again that cycling and scooting within the school grounds should not be happening. This to ensure the safety of everyone. Thank you for your cooperation with this.

Parking

Parking on Whitby Avenue continues to be an issue for local residents and concerns have once again been raised. Residents are reporting that they are unable to move on and off their drives due to cars blocking the way and also cars parking on the pavements. Please can I ask that when parking around the school at both pick up and drop off times that cars are parked safely, responsibly and respectfully. Thank you for your cooperation with this.

Attendance

Should your child be absent from school due to illness, when reporting the absence please can you advise of the symptoms in order for us to record this. Thus information enables us to identify any sickness trends in classes or year groups. Many thanks

New Autism Service Launched

Contact is running a new NHS England-funded Autism hub for London and the Midlands.

The hub is delivered in partnership with Ambitious about Autism on behalf of Autism Central. Parents co-designed the service to make sure peer educators provide high-quality and accessible autism information, education and teaching to families and carers.

Parents (wherever you are in England) who need support [can book a session online](#).
Parents interested in becoming a paid Autism hub peer educator can email AutismPeerEducatorHub@contact.org.uk

Family Hubs Network Vision Statement

"We believe that all children and young people in York deserve the best start and the chance to thrive. Every family, child and young person should be able to get help, information and support at the right time and place. They should be able to reach their full potential and lead healthy, happy lives. Families and communities help provide a foundation for children and young people to grow, develop and feel safe. Raise York brings together children; young people; families; communities and professionals so everyone can get the connections, help, and support they want and need."

Family Hubs Update. Get Involved.

Work is underway to understand how people want to access information and support and the gaps in provision.

Natasha ALMOND is Coproduction lead for this project and keen to continue to hear from people that have not yet had chance to get involved.

There are 2 ways you can do this:

1. Get involved in the Coproduction Core Team and help lead the change. Please contact natasha.aimond@york.gov.uk

2. Let Natasha know what emerging themes resonate with you through the online collaboration tool Padlet, just put a thumbs up to themes that you think should be prioritised. Click this link to complete: <https://padlet.com/YorkFamilyHubs/york-family-hubs-and-network-dbf82xv2awueb5c>

Consultation on Breaks for Carers

We know caring can impact your health and wellbeing and we understand how difficult it can be. So having breaks from caring can make all the difference.

We want to improve the provision of breaks for carers. Please ask any carers - adult or child - to tell us what matters to them at our [Carer Breaks Consultation survey](#) before midnight on Wednesday 9 August 2023.
